If Placement is between 50% - 69% (with at least 50% of the trainees passing out being placed in wage employment)	Payment to be made on pro-rata basis defined as per following example(s).

Example 1:

Total number of trainees in a batch: 30

Total number of certified trainees in a batch: 25

Total number of placed trainees in a batch: 18

Total 3rd tranche payment amount per trainee: Rs.4500/-

Since in this case, 18 trainees have been placed out of 25 certified trainees which is above 70%, complete 100% 3rd tranche payment can be made i.e. Payment for all 25 certified trainees = $Rs.4500 \times 25 = Rs.112500/-$ subject to verification of the placement data.

Example 2:

Total number of trainees in a batch: 30

Total number of certified trainees in a batch: 25

Total number of placed trainees in a batch: 15

Total 3rd tranche payment amount per trainee: Rs.4500/-

Since in this case, 15 trainees have been placed out of 25 certified trainees which is below 70%, payment is to be made on pro rata basis which is explained below:

Total number of placed trainees in a batch: 15

Total 3rd tranche payment amount per trainee: Rs.4500/-

Payment for 15 placed trainees = $Rs.4500 \times 15 = Rs.67500/-$ subject to verification of the placement data.

Example 3:

Total number of trainees in a batch: 30

Total number of certified trainees in a batch: 26

Total number of placed trainees in a batch: 12 or less than 12

No payment against 3rd tranche will be released.

Note: For more details, refer 3rd tranche guidelines of the Mission available on www.hsdm.org.in . **It should be noted that placement will be considered within 3 months from date of certification and not from date of completion.**

- V. The TP would maintain a separate bank account for the funds to be transferred by the Mission.
- VI. The TP shall be responsible for keeping accurate and systematic records in respect of the services in such form and detail which clearly identifies all relevant funds received from HSDM and payments made to its staff so as to enable HSDM to inspect the same at any point of time duly audited by its own auditors.
