2 Project Background

Haryana Skill Development Mission (HSDM) is the apex body for all skilling initiatives in the State of Haryana. HSDM was established in 2015 with the aim and objective of enhancing the employability of the youth and empowering them to take part in the economic growth of Haryana and India, through skill trainings in modern & market driven professions thereby reducing unemployment, poverty and socioeconomic inequality. Being a nodal agency for promotion of skill development, entrepreneurship & innovation in the State, HSDM has been entrusted to execute skill trainings under various Centre and State sponsored schemes in the State of Haryana.

HSDM has always believed in commending the youth to inspire and motivate them to scale greater heights. The Mission has been putting up concerted efforts for developing right skill set in youth by extending skill training in latest and upcoming technologies that have more adoption and will need more manpower. To this effect, proposals are invited to provide employment linked skill training in NSQF aligned 5G and EV based job roles. The proposal should guarantee atleast 70% placements with the identified employer(s). Program quality and implementation will be monitored and evaluated by the HSDM as per the guidelines of the Mission and Ministry of Skill Development and Entrepreneurship (MSDE), GoI for all programs including PMKVY.
